Item 11

CM Casar

I move to amend Item 11 as follows:

ADD under Question 2:

1. Objective:

1.b.iv. Code and map revisions should maximize potential for employment and residential units within Downtown, with affordable housing benefits included and calibrated.

2. Code Text.

2.a.ii. The application of non-zoning regulations to smaller, remaining downtown sites should allow for greater potential for employment and residential units than Draft 3, with affordable housing benefits included and calibrated.
